For almost a decade Sammi has been supporting attorneys and their clients in complex litigation including commercial litigation, product liability, wrongful death and fire science related matters. In her role as a paralegal Sammi handles all aspects of record requests, issuing subpoenas, FOIA requests, and coordinating discovery in multi-state litigation and across a number of jurisdictions throughout the United States. In addition, she is involved in preparing summaries and timelines to assist in the litigation and coordinates with the clients on discovery matter.

Sammi also supports the attorneys and senior paralegals as one of the firm's Legal Administrative Assistants handling all aspects of electronic filing and service of documents.

Sammi serves as the Chair of the Firms Diversity and Inclusion Committee and in her free time, she enjoys spending time outdoors; going on hikes, backpacking trips, training for marathons, adventuring with her dog, Shanti, and practicing yoga.
